The Beginner Book Story

“Ten years ago, Dr. Seuss took 220 words, rhymed them, and turned out THE CAT IN THE HAT, a little volume of absurdity that worked like a karate chop on the weary little world of Dick, Jane and Spot.”

—*Ellen Goodman, THE DETROIT FREE PRESS, Nov. 1966*

From this magically right beginning came the concept of Beginner Books, exacting blends of words and pictures that encourage children to read — all by themselves. Hailed by elementary educators and remedial reading specialists, these enormously popular books are now used in schools and libraries throughout the English-speaking world.
